

Hilltop Herald

WELCOME TO HILLTOP!

I trust your summer was a fun one! As I start to see all the signs of summer coming to a close, I look forward to the sounds of little voices in the halls again. I am excited to be working with you and your child!

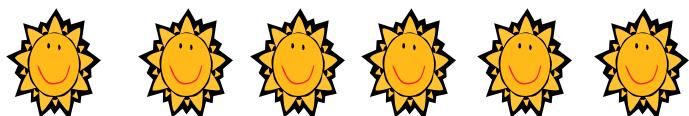

The summer session in July was enjoyable! We wish to thank Mrs. Brzoska and Ms. Topor for all the hard work they put into the program to make it successful.

There have been many preparations happening over the summer. In addition to the annual deep cleaning of the building, we had some repairs completed and repairs on our play yard. Mr. Mike has been working hard getting the place all spiffed up for a new year!

August/September, 2018

PARENT ORIENTATION

Remember to set aside an hour of time on Tuesday evening, September 4th beginning at 7:00 p.m. This will be a time **for parents only**. We will start the evening in the upstairs fellowship hall and then break into classrooms providing the teachers an opportunity to share about the classroom activities and expectations. You will have an opportunity to meet the staff during this time. We look forward to welcoming you!

TUITION

Jean Schlapfer St. Paul's bookkeeper and Rachel Harrel, the Church Secretary, handle the tuition payments. You should have received the tuition schedule in the packet you received in the spring or at registration this summer. You should have already paid two month's tuition for September and October. If you haven't, then you are delinquent in payments. The church office phone number is (860)482-3555, if you have any questions. We now have a digital way to pay tuition too! You can inquire about this in the church office. Please make checks payable to "**St. Paul's**" and put your child's name and class he/she attends in the "memo section" of the check.

FORMS ON FILE

In the packet you received in the spring or at registration over the summer, there were some other forms that need to be completed. If you haven't already, please be sure return the completed forms into the office before the first day of school. The forms include the Parent Agreements, the Emergency Contact Form, and the Child's Health Record. The state requires these forms to be in your child's file as a licensing requirement. If you can't find it, please stop in to the church office or visit our website and get a new packet! Church office hours are M-F 9-4.

SCHOOL PARKING

Please park in the parking area closest to the school entrance area. **DO NOT PARK along the curbs. This is a fire safety zone and needs to be kept clear in case of emergencies.**

Please **DO NOT** leave children unattended in your vehicle while you drop-off or pick-up your child. If you anticipate a problem, please discuss it with your child's teacher so we can assist you with arrangements.

For safety, **please hold your child's hand in the parking lot AT ALL TIMES.**

They also host the Annual Art Show and other events which raise money for our Tuition Assistance Fund.

We are looking for parents who are ready to take on the challenge of keeping this group going. Many of you expressed that you are interested in this group from the packets that were returned this summer. Thank you in advance for your willingness to serve.

Once we have established a parent or two to take the lead, a communication will come out to let you know of the first meeting date.

HILLTOP STAFF

We are pleased to have welcomed many of last year's staff members back to Hilltop this fall!

Mrs. Michelle Miller and Mrs. Christina Brzoska will work together as co-teachers in the 2 and 3 year old classes. We are in the process of hiring an assistant to help them on Mondays and Wednesday in the 3 year old class. They worked together last year during Lunch Bunch, and I am certain they will make a great team!

We are excited to announce that the 2 year old class now has its very own classroom! They will meet at the far end of the Hilltop Hallway in room 8. It is a nice cozy room, with a lot of the furniture just the right size for 2 year olds!

In the room 4, Mrs. Nicole Sears, one of Hilltop's most beloved teachers will co-teach with Ms. Lauren Phelan. The four year old class meets on Monday/Wednesday/Friday, and we have created a mixed age class of 3 and 4 year olds who will meet on Tuesdays/Thursdays. Mrs. Laurie Chepiga will be the assistant in these classes.

All the way down the hall, our School Readiness class is co-taught by Mrs. Monica Valente and Mrs. Lezlie Fosbrook. We have hired Ms. Megan Roberts to assist these teachers during the morning session and Ms. Phelan will join the class after lunch. Mrs. Sears and Mrs. Miller will come into this classroom to provide coverage while the teachers take their lunch breaks.

Mrs. Sosnicki continues as the Director /Head Teacher of the school, now in her 12 year in this position. Besides her many administrative duties to attend to, she has trained to be our Music Together® Music Specialist! She will be leading your child's music classes each week. Though her schedule is quite busy, she always makes herself available to staff, children and parents when needed. If there are ever any concerns please feel free to stop by and speak with her. Her office hours will be Monday through Friday 8:30-4:30.

Hilltop continues to be blessed with a loving team of dedicated teachers!
